COMMUNITY DAY

KOCHI

AWS USER GROUP KOCHI

We are a group of passionate Amazon Web Services Developers, Solution Architects, DevOps Engineers, Users, Evangelists, & Partners who meet to share knowledge, share best practices, and discuss AWS technology services and product announcements. Our motto is community-based learning and sharing. We conduct meetups and learning workshops in Kochi. We also partner with Educational Institutions and other professional communities to organise Hackathons and community events.

All skills levels, including students who would like to learn about AWS are welcome to help accomplish our motto of learning, sharing and networking.

Let's join hands to empower this tech community to make it bigger and better!

REGISTRATION

Registration is now open, for more event details and update visit our official site at <https://communityday.awsugkochi.in>

CFP

CFP is open to everyone. It gives you the opportunity to speak to your peers from the stage, should you have something of value to share with a larger audience.

Speaking at an event like AWS Community Day is a unique opportunity to build your brand and expand your speaker profile. Submit your talk If you would like your presentation to be considered for one of the tracks. CFP will be open from next week onwards.

SPONSORSHIP

As a sponsor of an AWS Community Day, you will have the opportunity to increase brand awareness and network amongst expert AWS technologists in the region. These events reach a subset of AWS developers and builders who have a strong preference for peer-to-peer learning. And it will also help you to widen the search for your potential employees and partners.

We are inviting organizations to partner with us and make this event a grand success.
